

WHAT'S COMING UP

September 2023

- **6th Return to School**

Dear Parents and Carers,

As we come to the end of another academic year, I wanted to take this opportunity to thank you for all your support throughout the year. Your support has been invaluable and has helped us to provide the best possible education for your child.

We have had a successful year with many achievements and accomplishments to celebrate. Our pupils have worked hard and made great progress, and we have seen many examples of outstanding work and behaviour. This would not have been possible without your support and encouragement. Our TOPS time celebration in which the whole school took part in this afternoon as a result of childrens fantastic behaviour, has been a particular strength of the year. We have children that show our school values and next year we will be taking this further by setting up Ambassadors for Wellbeing.

We say "see you soon" to our Year 6 children who are leaving us to start a new chapter of their education in secondary school in September. We are incredibly proud of all of them and have seen them mature into very confident individuals throughout the year. Good luck year 6!

As we look forward to the next academic year, we are excited about the opportunities and challenges that lie ahead. During the summer holidays there will be numerous building projects happening, including new boys and girls toilets, new boilers, a new hall floor and some building works to the exterior of the school. All of which is part of the continuous drive for improvement across the school.

We wish you all a happy and restful summer break and look forward to welcoming you and your child back to school on Wednesday 6th September.

Thank you once again for your continued support,

On a final note, can I remind you of the school uniform and PE kit expectations for next term.

AFTER SCHOOL ACTIVITIES

After school Clubs
will be confirmed
w/c 4th Sept

96% - Year 6

Attendance should be 95%

CLASSROOM NEWS...

YEAR 3

Year 3 have had a very busy week of learning! On Tuesday we had our DT day, we were making pasta salads. We had already designed our salads in our DT lesson previously and then in the morning we had a big discussion about what we would need to do to make our salads and what equipment we would need, we then wrote some instructions so we knew exactly what to do. After break the fun began! We got to collect our pasta and vegetables and start chopping them up, once all the chopping was done we looked at our designs and started to put the correct ingredients into our box to make our pasta salads. We were all very proud of our work and thought they looked extremely colourful! I hope you all enjoyed eating them at home!

YEAR 4

In Year 4, we have been busy working hard, as always. We have thoroughly enjoyed our Rainforest topic and the children have all produced work they should be incredibly proud of. The children have been focused and engaged in their learning right up until the very last second. You have worked so hard this year and I look forward to seeing all the amazing effort you will put into your learning next year! You deserve a well earned break, see you next year!

YEAR 5

Year 5 have brought their learning to an end this year showcasing their fantastic independent study skills. They have researched the Shang Dynasty which led on to our country study of China where they investigated the physical and human features of China and used their knowledge to create an information leaflet all about China. They were fantastic! We can't wait to have you back in our new class next year. You've made us so proud!

YEAR 6

Good bye and good luck Year 6 and Mrs Champney!! You have all been amazing.
