Dear Parents and Carers,

With the sun shining we are ending this half term on a high with almost the whole school getting to TOPS Time Celebration. This is an activity that the children have chosen themselves and anyone from any year group can take part in. It is so lovely to see all the children from different year groups celebrating their good behaviours together.

We are also excited to share with you the details for our Whole School House Match day (sports day) on 22nd June. The children will be earning points for their House with every activity they take part in. KS1/EYFS will start the day at 10am with a variety of sports on the field. Children will need to be in school PE kit, please provide a hat if it is really sunny.

At 12pm we will open the gates for parents to bring in a picnic to share with your children in EYFS/KS1 and KS2. Please indicate on Parent Pay if you would like your child to have a school packed lunch. Please also note that there should be no alcohol or peanut based products on school site. At 12.45 we will ask you to clear your picnics away and all EYFS/KS1 children will return to their classrooms for afternoon register and lessons.

All KS2 children will go back to class for registration before getting ready for their afternoon House Matches for a 1.30 start. At approximately 2.45pm all the children will head back into classrooms and get ready to go home at the normal time.

If the weather is not looking favourable we do have a backup day planned for 6th July.

Our Open Door session this week was well attended by lots of parents who joined in with their children's learning. These afternoons are held every term so that you can actually see how and what the children have been learning alongside the Curriculum Maps that we send out at the beginning of each term.

I would finally like to congratulate our Year 5&6 boys football team who took part in the Braintree District Schools Sports tournament at Lyons Hall on Wednesday. The boys did themselves proud with their behaviour and attitude in every game - even when a goal was disallowed! They came joint 3rd place out of 8 teams. Well done - we look forward to cheering on the girl's team on 7th June.

I hope the sun shines throughout half term, enjoy your week,

Mrs Cagney

CLASSROOM NEWS...

YEAR EYFS AND YEAR 1

This week EYFS and Year 1 went to the Wilderness Foundation Trust for our School trip. During the day all the children took part in a range of activities including; den building, pond dipping and learning about different types of plants

YEAR 2

Year 2 have been working incredibly hard to complete their end of Key Stage One assessments. Year 2 SATs are known as quizzes in our class, and this has meant that the children have been really relaxed and resilient towards completing some really quite difficult tasks. I am so proud of how the children have displayed our school values such as perseverance in not giving up when it becomes difficult. In between SATs, we have also been creating our own instructions in English and practising our typing skills to top copy these in the computer suite. We have finished our Maths unit on fractions and answered our two enquiry questions in Science and Geography- feel free to ask your children- What do plants need to grow? / Where would you visit in the UK?

Notices

Please refrain from parking in front of the green field gates, there is a sign stating 24 hr access required. We often have tractors needing access to the field.
